

**Welcome!**

**You have found the 1949-59 Ford Mercury Association web page. You can purchase parts using the page or call 614 905 2151 and talk to John Tim Halter who has over 50 years experience. If I do not answer your call, please leave a voice mail and I will get back with you.**

## **Business matters.**

**I have been selling on eBay for over 12 years and always price what I sell at what I know is a fair price. I pride myself in doing that. But things change. eBay has raised it's selling fee to over 12% This means if you buy from us using eBay your cost will be at least 12% more than buyoing direct from us. Call us, we take all credit cards. 614 905 2151**

**We have added many new items and by browsing our web site you can find them here. Rear Convertible top window frame, Fan shroud and many other items.**

**Enjoy our web site, we publish a news letter every couple of months that cost you \$35.00 per year. You can advertise free. We manufacture a lot of our parts, like all the castings for the 49-53 Ford Convertibles. We make a fan shroud also. Enjoy the web site, and any questions call me 614 905 2151 or email [association.fordmerc@gmail.com](mailto:association.fordmerc@gmail.com)**

**If you own a 1949 or 1950 Ford Convertible and want to install a overdrive transmission you need this Overdrive adapter.**

**\$275.00**

**We manufacture this using 303 Aluminum for the cover and D2 steel for the base. All other parts are made by us also. It comes ready to install. Does not come with gasket.**

**What this adapter does is offset the solenoid so it does not hit the X frame.**

**You must have the transmission, as the 49 & 50 have the governor on it and the 51 does not use a governor. This only works on the 49 & 50. Also you will need the cable, electrical harness and the solenoid & relay. For more information, call us 614-905-2151 Tim**
